## REQUEST FOR ASSISTANCE

I am requesting your assistance. As DHEC placed a Notice of Violation on the waste water treatment plants in Tega Cay January 7, 2014 and because these plants have continuously spilled sewage into Lake Wylie, as recently as January 11, 2014 with **no repercussions** other than this Notice, I am requesting that the **permits be held** until the problems are fixed permanently or the City has purchased the system.

Sincerely,  
Jon Richardson
